Ask The Wiz Wealth Institute Class/Sessions

To view the previous classes/sessions/webinars please see the following:

1. Simply log into www.askthewiz.info.
2. Scroll down the homepage to "**Wiz Television™**" (located on the right side of the page) and click on the icon.
3. Once accessed, the media players for Tier 1 and Tier 2 will appear. Initially they will be full of static. Wait 30 seconds for the players to start streaming.
4. Upon clearing, click the stop button for the **unpreferred** media player.

Note -

* **Tier 1** is the beginning investors/traders webinars and **Tier 2** is for advanced investors/traders. The information in both classes is simply stated so that there is ongoing valuable information for **all** to grasp in either class.

* To view all of the "on-demand" classes simply select on demand. Each class has a table of content available at the onset of the video.
